Gentlemen:

Permit is hereby granted to D & N Trucking, Inc. to develop a solid waste disposal site consisting of 21.4 acres in that part of the southwest quarter of the southwest quarter of Section 32, Township 38 north, Range 8 east of the Third Principal Meridian described by beginning at the southeast corner of said southwest quarter of the southwest quarter and running thence west on the south line of said quarter section 613.75 feet to a point in said quarter line 353.8 feet east of the southwest corner of lot 8 as shown by the plat recorded on page 48 of supervisors' assessment maps, Aurora Township, volume number 1 in Recorder's Office, Kane County, Illinois; thence northerly along a line making an angle of  $89^{\circ} 34'$ , measured from east to north, with the last described line 327.0 feet; thence west parallel with the south line of said quarter section 353.8 feet to the west line of said lot 8; thence north parallel with the east line of said quarter quarter 998.17 feet to the north line of said quarter quarter; thence east along said north line 429.0 feet; thence south parallel with the east line of said quarter quarter 633.6 feet; thence east parallel with the north line of said quarter quarter 540.24 feet to the east line of said quarter quarter; thence south on said east line, 696.65 feet to the place of beginning in the Township of Aurora, Kane County, Illinois to handle certain construction wastes all in accordance with the application and plans prepared by James Douglas Andrewa, P.E., Springfield, Illinois; Said application consisting of 32 pages dated January 16, 1975 and received by the Environmental Protection Agency on January 16, 1975; said plans consisting of two pages dated December, 1974 and received January 16, 1975.

The permit is issued subject to the standard conditions set forth on Page 3, attached hereto and incorporated herein by reference, and further subject to the following special conditions:

D & N Trucking, Inc.

Page (2)

March 18, 1975

- ✓1. Materials to be disposed of at this landfill are limited to clean earthen materials, Portland cement, concrete waste, bricks and mortar, and asphaltic concrete waste.
- ✓2. Specifically, no putrescible, combustible, liquid or metallic wastes shall be disposed of at this site.
- ✓3. All dumping shall take place at the toe of the active face of the fill slope regardless of weather conditions.
- ✓4. Discontinuities in natural and man-made devices for access control shall be remedied.
- ✓5. Traffic control and spotting by an agent of the operator shall be in effect when loads enter the site.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
